## SATORI SOJU

[1.5 OZ POUR]

- ORIGINS 9

- LEMONGRASS 10

"OVER 2,000 YEARS AGO IN THE REMOTEST PART OF THE PHILIPPINES ISLANDS, THE FAMED CORDILLERAS RICE TERRACES WERE HAND CARVED BY INDIGENOUS FARMERS TO BE IRRIGATED NATURALLY WITH THE PURE WATER OF MOUNTAINTOP RAINFORESTS.

LUSH, CLEAN, NATURAL—SATORI SOJU IS THE ONLY DISTILLED SPIRIT IN THE WORLD CRAFTED WITH HEIRLOOM ORGANIC RICE."
